Coreg Daily/Weekly Multi-Offer Data Feed:

This discounted wholesale data feed represents our Daily/Weekly Coreg Multi-Offer Sourced Data feed uploaded to our server on a daily basis or as data becomes available. Any and all data we upload for that week will be made available to you as our weekly data feed clients. You should see approximately 1.5 - 2MM unique coreg records per week. This feed includes our most current feed data files as well as slightly older aggregate data from other coreg paths, sources and publishers as data becomes available to us for distribution. All data will include at minimum, email, full name, postal, ip, date/timestamp. Source URL and phones provided where available. Questions? Please Contact Us.

Coreg Data Weekly Feed Cost:

\$500 per week if ordering weekly

Or discounted for a monthly pre-pay at \$1500.00.

Home-Biz Survey Lead Weekly Feed
