

About: Our Home-Biz Aged Survey Leads

Our Home-Biz Survey leads are long form internet leads and are non-incentivized where prospect fills out on-line long form/questionnaire voluntarily relating to home-biz interest and desire to be contacted relative to this interest. Survey leads are targeted and pre-qualified leads. Sample of survey form that is representative of survey lead generation can be viewed at <http://www.homebizoffers4u.com>.

Our surveyed leads are also available in real-time delivery or on an aged basis in batched delivery format.

How are leads generated? Our Survey leads are generated via PPC advertising and targeted opt-in permission based email marketing as well as contextual and behavioral desktop popunder advertising.
